# DOORS

*clown show*

*by Simone Vaccari  
and Luca Macca*

## SYNOPSIS

2 doors. No walls, no divisions. Doors that open to the future and to the past, or maybe just to the present. Great questions: how does one carry a door? What's behind a closed door?

A performance that faces all these matters, among lost keys, magic handles, and absurd rules that will obstruct two clowns during a simple, but not granted, door installation.

Winner of the  
Mirabilia Awards 2023

Special mention at the Premio Nazionale di Teatro per ragazzi "Emanuele Luzzati" - 3<sup>a</sup> ed. 2024:

*"A kind of theatre of the absurd where the protagonists are objects, doors of all sizes that interact with the two actors and sometimes with the audience. All played with Buster Keaton-esque impassivity, and with a subtle humour that never loses sight of the show's rhythm, which is pressing and precise."*
